Dear Sister or Brother Secretary

I hope this finds you and your Sisters and Brothers well and enjoying the summer weather.

As you will know we sadly lost our Worthy Grand Secretary, Sister E French in January and our thoughts as ever are with her husband and extended family.

Since January the various duties of Worthy Grand Secretary have been carried out by the Most Worthy Grand Matron, concentrating on those matters requiring urgent attention such as managing Supreme finances. The burden of work is however increasing and as we look forward to the resumption of Chapter meetings we must now consider filling the vacancy of Worthy Grand Secretary.

To that end The Supreme Grand Chapter of Scotland is inviting applications to fill the position of Worthy Grand Secretary. At this time a fully detailed job description is not available, however that will be available soon.

In the meantime the Most Worthy Grand Matron invites you to contact your members, to advise of them of this Vacancy, and if any Past Worthy Matron or Past Worthy Patron is interested in applying for the position, to contact me for further details on the role and responsibilities.

Our aim is to employ a new Worthy Grand Secretary as soon as possible to allow the new Worthy Grand Secretary time to familiarise the successful applicant with the role prior to full resumption of our Order's activities.

Thank you for your assistance at this time, and wishing your Chapter continued success.

Pat Brown
Most Worthy Grand Matron
